UNINSURED MOTORISTS BODILY INJURY - CALIFORNIA**COMPLETE ONLY IF UNINSURED MOTORISTS BODILY INJURY COVERAGE IS TO BE DELETED OR LIMITS ARE LOWERED**

The California Insurance Code (Section 11580.2) requires an insurer to provide uninsured motorists coverage in each bodily injury liability insurance policy it issues covering liability arising out of the ownership, maintenance, or use of a motor vehicle. Those provisions also permit the insurer and the applicant to delete the coverage completely or to delete the coverage when a motor vehicle is operated by a natural person or persons designated by name, or agree to provide the coverage in an amount less than that required by subdivision (m) of Section 11580.2 of the Insurance Code, but not less than the financial responsibility requirements. Uninsured motorists coverage insures the insured, his or her heirs, or legal representatives for all sums within the limits established by law, which the person or persons are legally entitled to recover as damages for bodily injury, including any resulting sickness, disease, or death, to him from the owner or operator of an uninsured motor vehicle not owned or operated by the insured or a resident of the same household. An uninsured motor vehicle includes an underinsured motor vehicle as defined in subdivision (p) of Section 11580.2(a)(2) of the Insurance Code.

In accordance with the above described California Insurance Code (indicated by checking the applicable box below) the undersigned insured agrees that the

- Uninsured Motorists Coverage afforded in the policy for bodily injury is hereby deleted.
- following lower limit of liability for bodily injury applies with respect to the Uninsured Motorists Coverage afforded in the policy:

The insured may elect not to accept such coverage or to waive such coverage when the motor vehicle is operated by a person or persons designated by name. Property damage does not include loss of use of the motor vehicle.
